Collabria Care – Collabria Hospice
414 South Jefferson Street

For Immediate Release

Collabria Care’s Resale Store Takes a Break!

La Bohème closes for August/September.

July 27, 2021, Napa, California - *La Bohème*, Collabria Care’s resale store on Main St., St. Helena, will close temporarily at the end of business on July 31 and will remain closed for the months of August and September. Our talented store manager, Karen Rowland is retiring after 9 years of exceptional service, and a long, sparkling career in hospitality and retail. Anyone who has ever visited the store and seen her creative genius will agree, hers will be difficult shoes to fill!

Collabria Care will pause sales at *La Bohème* and take the next two months to select the right replacement and restructure the store.

In the meantime, *Act Two*, our second resale store in St. Helena remains open. *Act Two* is a traditional thrift store located at 345-A La Fata Street. Both stores support Collabria Care’s essential services—Hospice and Palliative Services, Collabria Day Program, Alzheimer’s Services, and Grief Support.

During the month of August and September, *Act Two* will be open normal business hours:

Mondays-Tuesdays, 10:00 a.m. – 4:00 p.m. for shopping only

Wednesdays-Thursdays, 10:00 a.m. – 4:00 p.m. for donations only

Those interested in applying to be the new *La Bohème* store manager should visit collabriacare.org/jobs where the position will soon be posted.

Collabria Care is a leading center for community-based care and resources in the North Bay for those facing transitions of aging, Alzheimer's disease and other serious illness, or the end of life. Each year, Collabria Care touches more than 4,500 lives through patient care, caregiver support, day programs, community support groups, and bereavement services.
